| <ul style="list-style-type: none"> <li>• <b>UL &amp; CE Listing</b></li> <li>• <b>Made in USA &amp; Six Year Warranty</b></li> <li>• <b>Jensen Design Speakers &amp; Sound Quality</b></li> <li>• <b>Audio Technica Wireless</b></li> <li>• <b>Rugged For Both Indoor &amp; Outdoor Use</b></li> <li>• <b>Optional Built-In Wireless; Dual Wireless Capability both Inboard and Outboard</b></li> <li>• <b>Elegant Wood Lecterns</b></li> <li>• <b>Adjustable Height: Pneumatic Dial Control</b></li> <li>• <b>Product Reviews</b></li> </ul> | <ol style="list-style-type: none"> <li>1. All AmpliVox products utilize <b>50-watt stereo amplifier</b> (Certified by UL and CE labs).</li> <li>2. <b>We are UL Listed!</b> (AmpliVox File # E37772) Not having UL certification is a significant safety, reliability and liability issue:. Other companies do not have listing and file #'s. Without a listing, the electronics may be a fire and shock hazard.</li> <li>3. Our Electronics are <b>"Made in USA"</b> and carry a <b>6-Year Warranty</b>.</li> <li>4. We use <b>Jensen design 6" x 8" oval speakers</b>. Customer receives unparalleled sound quality and performance with clear natural sound rather than the tinny, howling and screeching issues other products have. Our products are designed utilizing Jensen's acoustic labs and Software Engineering Performance simulator.</li> <li>5. Our Sound Pressure Level is <b>93 to 105 Db.</b> between <b>2 and 12 KHz</b>. Specifications confirmed by an independent testing lab (others fall far below).</li> <li>6. We use <b>Audio-Technica</b> and professional wireless systems.</li> <li>7. <b>Never Run Out Of Power Guarantee</b> allows you to power our system three ways: <ul style="list-style-type: none"> <li>• 10 D-cell alkaline for up to 200 hrs. talk time</li> <li>• Rechargeable NiCad Battery Pack</li> <li>• International AC Adapter/Recharger (Not lantern batteries)</li> </ul> </li> <li>8. Our molded plastic tooled products are <b>rugged, durable, and weatherproof</b> for both indoor and outdoor use. We use high quality materials rather than wood or ABS plastic from Taiwan that breaks when dropped. We ship the Wireless Audio Portable Buddy and Roving Rostrum worldwide as check-in luggage and not one has been broken. All were received ready to use.</li> <li>9. Our SW805A amp with built-in wireless receiver is <b>available in all indoor/outdoor systems and all wood lecterns</b>. 2 people can be wireless simultaneously with optional 2<sup>nd</sup> wireless mic kit.</li> <li>10. <b>A style for every speaking need</b> –High-pressure laminate and solid veneer – impressive look and style – better than laminate and paper (corrosion/scratch resistant). Solid hardwood in Riverwoods collection.</li> <li>11. AmpliVox adjustable height lectern is <b>high-pressure laminate</b> (HPL). Adjusts 36" to 44" with a pneumatic dial control - the appropriate tall to small feature. The pneumatic control let's you raise &amp; lower reading table and set height easily, simply, and smoothly; no holding, pushing against wood, or finding a slot for pin to fit into.</li> <li>12. Our <b>promotional support and training sessions</b> accelerate your growth and profit opportunities.</li> <li>13. All products ship in <b>1 box</b> UPS or Fed Ex for handling convenience.</li> </ol> <p style="text-align: center;"><b>Thank you for your continued support</b></p> |

**(D) S1670** VHF Remote Wireless transmitter for Speakers S1204 & S1294. **\$83.00**

## HAILER SERIES

**(C) S1264** Horn Speaker with top-mount tripod bracket (stackable). Accepts up to 3 additional S1265 Horns. Use with optional S1080 or S1090 Tripods. **\$103.00**

**(D) S1262** Horn Speaker plus hardware for mounting on S1080 tripod. **\$91.00**

**(E) S1265** Add-On Horn Speaker. For 1264: Includes stacking bracket, hardware and Y-Adapter. **\$103.00**

**(F) S1210A** Twin horn Speakers with car-top mounting assembly; Suction caps + holding straps. (See SW312 for full system) **\$423.00**

## 1294 SERIES

**(B & D) S1294-70** Built in 100 watt amplifier & Wireless receiver drives 4" horn tweeter, and 10" woofer speaker in black carpeted cabinet; concealed pocket handle, luggage wheels to easily move the unit and built in tripod mount. For use with S1080 tripod. Includes S1670 900mhz Wireless Transmitter. **\$1295.00**

**(B) S1294** Same as above, but without included transmitter. Great additional sound coverage! Great for any audience! **\$1212.00**

## TRIPODS

**(G) S1090** Compact Tripod. Adjustable from 28" to 49"; 27" folded. Fits any standard 1-3/8" tripod mount. Works great for our S1201, S1204, S1262, S1264, or S610A. **\$114.00**

**(H) S1080** Heavy Duty Tripod. Adjustable from 44" to 97", 43" folded. Fits any standard 1-3/8" tripod mount. Works great for S1201, S1204, S1262, S1264, S1294, SW610A, SW905, and S1290. **\$207.00**

## Mic Stands

**(I) S1075** Desk Microphone Stand. Adjustable from 8-1/2" to 14". Mic holder included. Fits perfectly on your desk, drafting table or counter. **\$32.00**

**(J) S1073** Mic floor stand. Adjustable from 32" to 64". 33" Folded. For any hand-held Mic. Includes mic holder. **\$74.00**

## Carrying Cases and Protective Covers

**(K) S1940** Half Mile Hailer Case for S/SW610A and accessories. 12" x 11" x 10" Black. Made from rugged reinforced nylon. **\$47.00**

**(L) S1972** Large Protective Lectern Cover. Brown vinyl. Water resistant. Fits most lecterns. (28" x 25 1/2" x 45") **\$119.00**

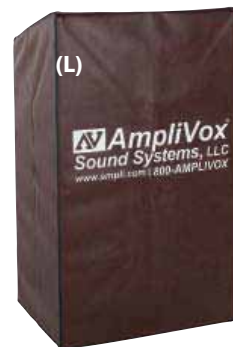

**(M) S1990** Travel Audio Pro Cover. For S/SW905. Protective cover has a masonite panel to protect the unit's controls. Large storage compartment for accessories. **\$109.00**

**(N) S1992** Pelican Hard Travel Audio Pro Case. For S/SW905. Durable watertight and crush proof rolling case. Customized interior pre-cut high density foam. Heavy duty wheels and retractable extension handle. Protection against impact, vibration and shock. Exterior Dimensions: 31-1/2-in x 22-7/8-in x 18-7/8-in; **\$499.00**

**(O) S1960** Universal Soft Nylon Carrying Case. Rugged reinforced nylon with storage pocket in lid that holds 3 compact tripods (S1090), extendible luggage handle and wheels (27 1/2" x 10 1/2" x 15") **\$230.00**

**(P) S1920** Rugged Reinforced nylon carrying case. Holds two S1080 Tripods. **\$47.00**

**(Q) S1920** Soft carrying case. Holds three S1090 Tripods. **\$47.00**

## Reading Lamp & Brackets

**(R) S1300** Amplifier Mounting Bracket. Theft Deterrent! Attaches to lectern with 4 screws. Amplifier slides into bracket. One screw holds Amplifier in. **\$45.00**

**(S) S1095** Wall Mount Speaker Bracket. Almost 180 degree pivot action. Holds S1201, S1204, SW225, SW227, S/SW230A **\$109.00**

**(T) S1100** Reading Lamp. Clip-On 5"; 7-1/2 ft. AC Power cord; 25 Watt bulb included **\$61.00**

Formerly Perma Power

Made in the U.S.A. Limited 6-year warranty

# 50-Watt Multimedia Stereo Amp - Your Presentation Partner SW805A Series Amplifier with Built-in Wireless Receiver

Dual Wireless Capability - A & B Frequencies - 2 Wireless Presenters- Up to 4 Presenters Simultaneously

## DUAL WIRELESS TWO WIRELESS PRESENTERS AT THE SAME TIME

Line Input has its own volume and tone controls. Volume is separate from mic volume, allowing use of CD/tape player, VCR for multi-media presentations without overpowering the presenter(s). Perfect for interactive presentations. Increases the sound from a projector from 1 or 2 watts to 50 powerful watts.

25-watts per channel. Left and right speaker jacks for connecting multiple speakers (up to 4 with y-connectors).

True Stereo Sound!

### SW805A Multimedia Amplifier

50 watts of power. Runs on 10 D-cell alkaline batteries for up to 200 hours of talk time. Nicad Battery Pack runs 20 hours after recharging. For indoor use, the International AC Adapter/Recharger (110/240V; 50/60Hz) converts the system to AC power. DC Adapter powers the amplifier from the cigarette lighter in a car.

Line out allows presenter(s) to tape presentations as they happen, line out records the mixed presentation, not just the speaker.

Protect your amplifier with a mounting bracket; no more loose amplifier to watch out for; flexible mounting options; bracket attaches easily to lectern with 4 screws. Amplifier fits securely in base and easily slides on to bracket. Once in place is in.

Separate dynamic, condenser with phantom power, and wireless microphone inputs with a volume control for the mics. All three inputs are sound balanced and can be used simultaneously. Great for group presentations and presentations involving the audience.

Use line-in to create memorable presentations by adding pre-recorded music or sound effects via CD player, tape player or computer sound card.

Built-in wireless receiver in SW805A series amplifier. Dual wireless capability. A & B Frequencies 2 Wireless presenters up to 4 presenters simultaneously.

### Amplifier Features

- ✓ SW805A with built-in wireless receiver or S805A amplifier available with every complete sound system.
- ✓ A & B channels - Add second external wireless system to amplifier.
- ✓ 4 mic inputs (dynamic, condenser, 2 wireless) can be used at the same time.
- ✓ 50 watts nominal output; 25 watts per channel. All integrated circuit design.
- ✓ Line-in has separate tone and volume controls.
- ✓ Auxiliary input jack for a CD player, tape player or computer projector. Capture your audience's attention with a mixed media presentation by adding background music and sound effects.
- ✓ Line-out jack for a tape recorder or computer. You can record your presentation as it is happening.
- ✓ 2 speaker jacks for a total of 4 speakers possible (using Y-connectors). Great for true stereo sound and for amplifying over a wider area.
- ✓ Never run out of power! International AC Adapter/Recharger (S1460) plugs into amplifier and converts to AC power or recharges S1465 NiCad Battery Pack. 110/240V; 50/60Hz. Sold separately.
- ✓ Battery powered by 10 Alkaline D-cells for up to 200 hours talk time (not included); Rechargeable S1465 NiCad Battery Pack lasts 20 hours after recharging (requires S1460). **All Sold Separately.**
- ✓ Easily mounts to lectern with our mounting bracket (sold separately).

**AmpliVox Sound Systems is pleased to announce our revolutionary**

# **DIGITAL AUDIO TRAVEL PARTNER** with **remote control.**

Features: 250Watts, Audience Size 7,500, Room size 25,000 sq.ft., Built-in CD with pitch control, SD slot, MP3; USB input; Voice/Music Button; Built-in UHF 10 channel wireless, Two 6.5 in. NEO woofers and dynamic compression driver, SPL 126dB, 3 Neutrik Combo XLR mic Inputs. AC Power cord and rechargeable batteries for up to 10 hours of run time. A specially tooled and molded plastic enclosure for exceptional durability with tripod mount & retractable handle & wheels.

## Ultimate Versatility – Great Sound in a Stylish and Portable Lectern

Tabletop Lectern covers crowds up to 1,000.  
Use with Media Cart Base for full-size lectern.

### Amplifier Features

- ✓ Exclusive 50-watt AmpliVox multimedia stereo amplifier. 25-watts per channel. All integrated circuit design.
- ✓ Auxiliary input jack with separate tone and volume controls for CD player, tape player or computer sound system. Capture your audience's attention with a mixed media presentation by adding music and sound effects.
- ✓ Line out jack for a tape recorder. You can record your presentation in real time.
- ✓ All 3 mic inputs (dynamic, condenser and WIRELESS) can be used at the same time. Wireless mic kits sold separately.
- ✓ 2 speaker jacks. Each jack can drive 4 or 8 ohm speakers. Use second speaker jack for optional S1201 Companion Speaker.
- ✓ **Dual Wireless Capability** SW wireless series **SW805A amplifier** with built-in wireless receiver allows 2 people to be wireless simultaneously with second wireless mic kit.
- ✓ Never run out of power! 10 fresh D-cell alkaline batteries (not included) provide up to 200 hours of talk time. International AC Adapter/ Recharger (S1460) plugs into amplifier and converts to DC power or recharges NiCad Battery Pack (S1465). **All sold separately.**

### Lectern Features

- ✓ One built-in Jensen designed 6" x 8" oval speaker.
- ✓ Includes professional dynamic mic with 15' cable
- ✓ Tabletop lectern sets on Media Cart Base for a full-size lectern. Use media cart base separately for overhead projector, etc. 4 casters; 2 locking. Roomy storage shelf.
- ✓ Scratch-resistant finish in walnut or medium oak.
- ✓ Optional 25-watt, AC lamp (S1100) allows speaker to read notes while room is dimmed. (Bulb included.)
- ✓ EZ Speak Lectern folds to 7" x 14.5" x 22" with an easy-grip handle. Weighs only 36 lbs.
- ✓ EZ Speak fits into rugged reinforced nylon carrying case with luggage handle and wheels for easy transport.
- ✓ S250 and S272 complete systems include amplifier, microphone, speaker.
- ✓ S250 Lectern measures: 24"W x 14"H x 20"D.
- ✓ S260 Base measures 21"W x 33"H x 17"D.

Made in the U.S.A. Limited 6-year warranty

## A Complete Sound System that's Portable

AmpliVox Portable Sound Systems offers the ultimate in versatility: the **EZ Speak Folding Lectern (S272) with carrying case**. It reaches audiences up to 1,000 in rooms up to 10,000 square feet, folds to a compact 5" x 17" x 22" with an easy grip handle, and weighs only 36 lbs. It blends into any decor with its elegant styling and scratch resistant finish in walnut or medium oak.

**EZ Speak** contains our exclusive 50-watt AmpliVox multimedia stereo amplifier with 3 microphone inputs (dynamic, condenser, **wireless**) that can be used at the same time. The amp has an input jack with independent volume and tone controls for multimedia presentations with a CD player, tape player, or LCD computer projector. A line-out jack allows the speaker to record the presentation as it is happening.

Clear, rich sound is produced through a built-in Jensen designed 6" x 8" oval speaker. Two speaker jacks allow you to add up to three more speakers using Y-connectors. **EZ Speak Folding Lectern** comes with a professional low impedance, cardioid, dynamic microphone with 15-foot cable, flexible gooseneck, & shockmount mic holder.

**Dual Wireless Capability** SW wireless series **SW805A amplifier** with built-in wireless receiver allows 2 people to be wireless simultaneously with second wireless mic kit. Select SW272 (specify color) and your choice of wireless mic.

**SPECIAL CARRYING CASE** rugged nylon with handle and wheels for enhanced mobility.

**NEVER RUN OUT OF POWER!** Power with 10 D-cell alkaline batteries (optional) for up to 200 hours of talk time; S1460 International AC Adapter/Recharger (110/240V; 50/60Hz); S1465 Nicad Battery Pack which lasts up to 20 hours after charging and requires S1460. **All Sold Separately.**

- ✓ 3 mic inputs (dynamic, condenser with phantom power, **WIRELESS**) can be used at the same time.
- ✓ **Dual Wireless Capability** SW wireless series **SW805A amplifier** with built-in wireless receiver allows 2 people to be wireless simultaneously with second wireless mic kit.
- ✓ Never run out of power! 10 fresh D-cell alkaline batteries (not included) provide up to 200 hrs. of talk time. International AC Adapter/recharger available (S1460) 110/240V; 50/60 Hz. NiCad Battery Pack (S1465 - sold separately) can be recharged using external AC Adapter/Recharger.
- ✓ 2 speaker jacks for a total of 4 speakers possible (using Y-connectors). Great for true stereo sound. 1 jack per line input channel. Each jack can drive 4 or 8 ohm speakers. Mic inputs are added equally to left and right channels. Output driver is placed into standby mode when its output jack is empty, reducing power drain and prolonging battery life.
- ✓ Power Controls: On-off switch with LED power indicator light.

## Lightweight! Elegant! Use in:

- ❖ Auditorium ❖ Boardroom ❖ Conference Room
- ❖ Meeting Room ❖ Training Room

## Lectern Features

- ✓ High pressure laminate with scratch-resistant finish. Choose light oak, mahogany, medium oak, walnut.
- ✓ Adjustable height with smooth, effortless, pneumatic dial control. Reading table height can be set between 36" and 44" at bottom (measured from presenter's side).
- ✓ Moves effortlessly on 2 wheels.
- ✓ One 6" x 8" oval full-range speaker built into slender center column.
- ✓ Optional 25-watt, AC lamp allows speaker to read notes while room is dimmed for slides or overhead projector. (Bulb included.)
- ✓ Extra speakers can be mounted on tripod. (See inset picture.) Extra speakers and tripods sold separately (see price list).
- ✓ Lectern Dimensions: 44"H; 24"W x 17.5"D work surface includes a book stop; shipping weight 75 lbs.
- ✓ Amplifier compartment angled for easy operation.

**Companion speaker mounts easily onto tripod for true stereo sound. Comes with 40 foot cable.**

**Colors:**

|          |           |
|----------|-----------|
|          |           |
| Med. Oak | Light Oak |
|          |           |
| Mahogany | Walnut    |

**Wireless microphone kits available. All three microphone inputs - dynamic, condenser and wireless can be used simultaneously.**

**Knob adjusts height. Amplifier fits securely.**

Formerly Perma Power

Made in the U.S.A. Limited 6-year warranty

# A complete powerful audio system built into an elegant radius-styled lectern!

The Presidential Plus power profile covers crowds up to 1,500 and is ideal for formal meetings or executive boardrooms. Great sound in an attractive package.

## Amplifier Features

- ✓ Exclusive, 50-watt, AmpliVox Multimedia Stereo Amplifier. 25-watts per channel.
- ✓ Auxiliary input jack for a CD player, tape player or computer sound system. Capture your audience's attention with a mixed media presentation by adding music and sound effects. Separate tone and volume controls.
- ✓ Line out jack for a tape recorder. You can record your performance as it is happening.
- ✓ All 3 mic inputs (dynamic, condenser, **WIRELESS**) can be used at the same time. Wireless mic kits sold separately.
- ✓ **Dual Wireless Capability** SW wireless series **SW805A amplifier** with built-in wireless receiver allows 2 people to be wireless simultaneously with second wireless mic kit.
- ✓ 2 speaker jacks for a total of 4 speakers possible (using Y-connectors). Great for true stereo sound and for amplifying over a wider area.
- ✓ Hand Microphone Model S2030A. Professional, low-impedance, cardioid pattern, dynamic microphone, steel case, frequency response 50–15,000 Hz; with 15-ft. cable. On-off switch. Includes flexible gooseneck, shockmount microphone holder.
- ✓ Battery powered by 10 Alkaline D-cells or rechargeable NiCad Battery Pack. Sold separately.
- ✓ Never run out of power! International AC Adapter/ Recharger (S1460) plugs into amplifier and converts to DC power or recharges NiCad Battery Pack (S1465). Sold separately.

## Lectern Features

- ✓ Two built-in 6" x 8" Jensen style oval speakers.
- ✓ Attractive melamine in medium oak or mahogany. Sturdy plastic speaker grille is covered with black cloth for a sleek, contemporary look.
- ✓ Moves effortlessly on 4 hidden wheels. 2 wheels lock to hold in place.
- ✓ 2 large shelves offer generous space for notes, equipment, and more.
- ✓ Optional S1201 Dual Module Companion Speaker can be mounted on tripod. (See inset picture.) Extra speakers and tripod sold separately below.
- ✓ Optional 25-watt, clip-on AC lamp with 7 1/2-ft cord allows speaker to read notes while room is dimmed for slides or overhead projector (bulb included).
- ✓ Lectern Dimensions 46.5"H x 25.5"W x 20.5"D; Ship Weight: 111 lbs.
- ✓ Compact Companion Speaker Dimensions 13.5W x 10"D x 5"H.

6" X 8"  
Speaker

Four Hidden glides for  
ease of mobility.

**Lightweight! Elegant! Use in:**

- ❖ Auditorium ❖ Boardroom ❖ Conference Room
- ❖ Meeting Room ❖ Training Room

### Technical Specs

**Amplifier** Model S805A. 50 watts nominal output; 25 watts per channel. All integrated circuit design.

**Power Controls** On-off switch with LED power indication light. Jack for optional, external AC adapter/recharger.

**Power Source** 10 fresh D-cell Alkaline batteries (not included) provide up to 200 hrs. of talk time. 110/240V AC adapter available (S1460). (NiCad Battery Pack may be recharged using the optional, external AC adapter/recharger.)

**Hand Microphone** Model S2030A Professional, low-impedance, cardioid pattern, dynamic microphone, steel case, frequency response 50-15,000 Hz; with 15-ft. cable; adjustable, shock-mount, goose-neck microphone holder. On-off switch.

**Microphone Jacks** 1 each dynamic, condenser with phantom power and wireless. Microphone volume control adjusts all mics together. All 3 mic inputs and auxiliary input can be used at the same time.

**Auxiliary Input** 1 stereo jack with separate volume and tone controls. For tape, CD, computer projector.

**Line Out** Stereo jack for tape recorder.

**Speaker** One 6" x 8" oval full-range speaker.

**Speaker Jacks** 2 jacks; 1 per line input channel. Each jack can drive 4- or 8-ohm speakers. Mic inputs are added equally to left and right channels. Output driver is placed into stand-by mode when its output jack is empty, reducing power drain and prolonging battery life.

**Lamp** S1100 (optional). 25-watt clip-on AC lamp with 8-ft. cord. Bulb included.

**Accessory Jack** for 12-volt DC accessory.

**Construction** Solid wood veneer. 4 glides to move easily.

**Lectern Dimensions**

45"H, 24"x14" work surface, 52 lbs. (without batteries).

### Colors:

Medium Oak

Mahogany

Companion speakers mount easily onto tripod for true stereo sound. Comes with 40 foot cable.

Theft deterrent mounting bracket keeps amplifier in place

Wireless microphone kits available. All three microphone inputs dynamic, condenser, and wireless can be used simultaneously.

Formerly Perma Power

Made in the U.S.A. 6-year warranty

## A complete powerful audio system built into an elegant lectern!

The solid wood veneer Chancellor Lectern covers audiences up to 5,000 people in areas up to 20,000 sq. feet.

### Amplifier Features

Formerly Perma Power

Made in the U.S.A. Limited 6-year warranty

# Carry your lectern and sound system wherever you speak!

ShowStyle Roving Rostrum for crowds up to 1,500 in a 15,000 Sq. ft. room. Second speaker in lid. Forms a compact, rugged carrying case.

## Amplifier Features

- ✓ Exclusive, 50-watt, AmpliVox Multimedia Amplifier. See bottom of page for complete list of features and technical specs.
- ✓ All 3 mic inputs (dynamic, condenser, **Wireless**) can be used at the same time. Wireless mic kits sold separately.
- ✓ Auxiliary input jack for a CD player, tape player or computer sound system. Capture your audiences attention with a mixed media presentation by adding music and sound effects. Separate tone and volume controls.
- ✓ **Dual Wireless Capability** SW wireless series **SW805A** amplifier with built-in wireless receiver allows 2 people to be wireless simultaneously with second wireless mic kit.
- ✓ Line out jack for a tape recorder. You can record your presentation as it is happening.
- ✓ Powered by 10 D-cell Alkaline batteries for up to 200 hours of talk time. Sold separately.
- ✓ 2 speaker jacks for a total of 4 speakers possible (using Y-connector). Gives you true stereo sound.
- ✓ Never run out of power! International AC Adapter/Recharger (S1460) plugs into amplifier and converts to DC power or recharges NiCad Battery Pack. Sold separately.

## Lectern Features

- ✓ Rugged molded ABS plastic case holds up to abuse and still looks good.
- ✓ Speakers may be placed up to 40-ft. apart for true stereo output and greater amplification.
- ✓ Ultra Portable! Use indoors or outdoors.
- ✓ Don't be caught with a faulty, incomplete or unfamiliar sound system. Take your lectern and sound system with you.
- ✓ Retractable legs.
- ✓ Weighs only 18 lbs. Has easy-grip handle.
- ✓ Two 6" x 8" oval speakers; one speaker in lectern and one in lid.

2 speakers - one in lectern and one in lid for remote placement.

Power and portability for a variety of speaking need. The Show-Style Roving Rostrum goes wherever you go.

## Technical Specs

**Amplifier** Model S805A. 50 watts nominal output; 25 watts per channel. All integrated circuit design.

**Power Controls** On-off switch with LED power indication light. Jack for optional, external AC adapter/recharger.

**Power Source** 10 fresh D-cell Alkaline batteries (not included) provide 200 hrs. operation for up to a full year's use. 110/240V AC Adapter/recharger available (S1460).

**Auxiliary Input** Stereo jack with separate volume and tone controls. For tape, CD, computer sound card.

**Microphone** Model S2030A. Professional low-impedance, cardioid pattern, dynamic microphone, steel case, frequency response 50-15,000 Hz; with 15-ft cable; adjustable, shock-mount, gooseneck. On-off switch.

**Microphone Jacks** 1 each dynamic, condenser with phantom power and wireless. Microphone volume control adjusts all mics together. All 3 mic inputs and auxiliary input can be used at the same time.

**Speakers** Two 6" x 8" oval speakers; 1 in lectern and 1 in lid.

**Speaker Jacks** 2 jacks; 1 per line input channel. Each jack can drive 4- or 8-ohm speakers. Mic inputs are added equally to left and right channels. Output driver is placed into standby mode when its output jack is empty, reducing power drain and prolonging battery life.

**Lamp** S1100 (optional). 25-watt clip-on AC lamp with 8-ft. cord. Bulb included.

**Construction** Scaff-resistant, molded black luggage-type plastic; retractable legs for height adjustment.

**Dimensions** 16.75"W x 17.25"D x 8.875"H;

S132A model has a CD player and tape player stored in lid.

Great sound in a small, portable package. Light, rugged case packs everything to go wherever you go. Lapel mic (optional) leaves hands free for slides, pointer, visual demonstrations, etc.

## AmpliVox® Launches the **SIR BUDDY - Infrared Wireless Communication!**

This new addition to the extensive AmpliVox product line is taking portable wireless communication in a new and exciting direction. With the **SIR Buddy** you are able to have clear and secure communication that is free from outside interference - via *infrared* technology.

This works via line of sight infrared technology, your signal will not go through walls or interfere with another broadcast frequency! Only your microphone will be picked up by the receiver. This is a great solution for schools, churches and other presentation areas that have adjoining rooms and need contained signal broadcast.

The **SIR Buddy** is ideal for presentations to audiences in rooms up to 2,500 sq. feet. The powerful 50 watt audio system includes projector and laptop interface cables to provide a companion audio booster for a laptop and a video projector. The **SIR Buddy** allows the presenter to amplify their 2-3 watt computer or LCD projector with clear, quality sound.

The **SIR Buddy** delivers clear, quality sound in any location. This portable presentation partner is a complete 50 watt multimedia sound system with Jensen designed 6-in. x 8-in. oval speaker built into a compact, lightweight (weighs only 4 lbs.) rugged carrying case. You will love its ease of use and power that fills a meeting, conference, or training room with rich, room filling natural sound. Just 'plug & speak'; connect your projector or computer into the amplifier line-in and turn the power on!

The solid state stereo amplifier has a built-in receiver allowing the presenter to be hands free with wireless freedom to roam within 150 feet. The SIR Buddy comes with a wireless lapel mic. Additional models and options include; a handheld mic buddy SIR 223 or add a second radio frequency wireless mic kit - combine infrared and radio frequency for optimum versatility and dual wireless.

### About AmpliVox® Sound Systems

**AmpliVox® Sound Systems** engineers, manufactures and markets portable public address systems and reliable elegant lecterns with integrated wireless sound systems for a myriad of different presentations and communication applications both indoors and outdoors, including meetings, trainings, seminars and conferences.

**AmpliVox® Sound Systems** products are made in the USA, meet stringent UL standards, and come with a six [6] year warranty. We have an array of styles and sound coverage for every speaking need. Whether you are in a small meeting room of 30 people or a large 20,000 square foot auditorium of up to 5,000 people, **AmpliVox® Sound Systems'** extensive range of superior quality, easy to use and reliable audio electronics will provide maximum customer satisfaction and ensure that your message is heard.

## WIRELESS RECHARGEABLE MITY-VOX GET BIG SOUND FROM A SMALL PACKAGE!

*Our  
55<sup>th</sup>  
Year!*

Great for all types of presentations, take the **Wireless Rechargeable Mity-Vox** from classroom to conference room. Easy to use just plug in and speak!

- Internal rechargeable batteries with AC adapter
- Up to 30 hours of battery time
- Handheld wireless microphone
- Wired Mic Jack with Volume Control
- Both mics can be used together
- Treble and Bass Controls
- Reach audiences up to 150!
- Built in storage compartment
- Comes with carrying case and shoulder strap
- Plug unit into House system for increased amplification

### Features & Specs for SW212 MITY-VOX

- 1 Wireless Antenna - adjustable
- 2 On/Off Switch & Power indicator light
- 3 Wireless Mic Volume & Indicator Light
- 4 Wired Microphone Jack with Volume Control
- 5 Audio input jack w/ volume control
- 6 Treble/Base Control
- 7 Jack Out for Recording
- 8 Reverb/Echo control
- 9 Speaker 6.5-in
- 10 Wireless Handheld Mic
- 11 Power Cord
- 12 Handle
- 13 Carrying Case

Operating Range: 64 to 128 ft (20-40m)  
Receiving Mode: VHF  
S/N Ratio: 60dB  
Dynamic Range: 80dB  
Power: 20 Watts  
Amplifier Battery: 8 D-cell  
Transmitter Battery: 9V  
Frequency Range: 100 - 15,000Hz  
Dimensions: 11.25-in. H x 9-in. W x 6.5-in. D  
Weight: 7.5 lbs. without batteries

### FYI:

If volume is getting lower, the receiving distance shortened or sound is not normal, charge the batteries. When not using the system turn off the microphone and the amplifier to save battery power. If feedback occurs turn down the treble tone control. If feedback still occurs, turn down the main volume. The Wired microphone and Wireless microphone can be used at the same time. Rec out can connect with a recorder to have on-site recording of your presentation. You can plug another amplifier into the REC OUT jack to increase amplification or to the House system. Take the batteries out of the amplifier if the unit will not be used for long periods of time. Batteries not included. Note: This unit will not work with our Nicad battery pack.

## Complete Portable Sound System in a rolling case

**Model SW232 now with wireless speakers!**

**Easy to use as it is to move**

### Components

- ✓ **One** S805A 50-watt multimedia stereo amplifier or SW805A with built-in receiver plus transmitter.
- ✓ **Two** S1201 Dual Module Speakers. Each has two Jensen design 6" x 8" oval speakers built into a black carpeted cabinet with tripod mount and pocket handle. Speakers mount onto tripod for true stereo sound. Includes two 40 foot cables.
- ✓ **One** S2031 Professional cardioid dynamic mic with 15' cable. Plus your choice wireless mic (lapel, headset, handheld) with Model SW230A.
- ✓ **Three** S1090 Tripods; one has bracket for gooseneck and shock mount mic holder.
- ✓ **One** S1960 Reinforced nylon carrying case with storage pocket for tripods; luggage handle & wheels.

### Amplifier Features

- ✓ Exclusive, **50-watt** AmpliVox multimedia stereo amplifier. Battery powered or DC output; 25 watts per channel. All integrated circuit design.
- ✓ Power controls: On-Off switch with LED power indicator light. Jack for optional external AC Adapter/Recharger.
- ✓ Auxiliary input stereo jack with separate volume and tone controls for a CD player, cassette, or LCD computer projector. Capture your audience's attention with a mixed media presentation by adding music and sound effects.
- ✓ 3 mic inputs (dynamic, condenser with phantom power, **WIRELESS**) can be used at the same time. Additional wireless mic kits sold separately.
- ✓ Line out jack for a tape recorder. You can record your presentation as it is happening.
- ✓ 2 speaker jacks for a total of 4 speakers possible (using Y-connectors). Great for true stereo sound and for amplifying over a wider area.
- ✓ **Dual Wireless Capability** SW wireless series **SW805A amplifier** with built-in wireless receiver allows 2 people to be wireless simultaneously with second wireless mic kit.
- ✓ Never run out of power! 10 fresh D-cell alkaline batteries (not included) provide up to 200 hrs. of talk time. S1460 International AC Adapter/Recharger (110/240V; 50/60Hz) plugs into amp and converts to DC power or recharges S1465 Nicad Battery Pack. **All sold separately.**

## **NEW** Model SW232 WIRELESS POWERED SPEAKER VOICE CARRIER KIT

**The controls are at your fingertips.**

**NO CABLES OR WIRES**  
**PLACE TRANSMITTER ON AMP AND PUT SPEAKERS WHERE YOU NEED THEM WITHIN 500 FEET.**

**SPEAKERS REQUIRE POWER:**

**S1460 AC Adapter or S1460 + S1465 rechargeable system; or 10 D-Cell alkaline batteries (up to 200 hours).**

**HALF MILE HAILER FAMILY**

S610A, SW610A, SW615A, S620, SW630, S312, SW312

Formerly Perma Power

Made in the U.S.A. Limited 6-year warranty

# Your audience can hear loud and clear, while you watch the action!

The Half-Mile Hailer blows away everything else in its class with 50-watts of power. Reach crowds of up to 3,000 and cover the length of a football field!

## Amplifier Features

- ✓ Exclusive, 50-watt, multimedia amplifier with separate tone and volume for line in.
- ✓ Line out jack for a tape recorder. You can record your performance as it is happening.
- ✓ All 3 mic inputs (dynamic, condenser, wireless) can be used at the same time. Wireless mic kits sold separately.
- ✓ Auxiliary input jack for a CD player, tape player or computer sound system. Capture your audience's attention with a mixed media presentation by adding music and sound effects. Separate tone and volume controls.
- ✓ 2 speaker jacks for a total of 4 speakers possible (using Y-connectors). Great for true stereo sound and for amplifying over a wider area.
- ✓ Power rating: 60-watts, impedance: 4 ohms, volume: up to 119 db.(11W x 6.5H x 8.25 D)
- ✓ **Dual Wireless Capability** SW wireless series **SW805A amplifier** with built-in wireless receiver allows 2 people to be wireless simultaneously with second wireless mic kit.
- ✓ **Wireless Half-Mile Hailer Family** with built-in wireless receiver lets you roam up to 300-ft. Comes with lapel and headset microphones and transmitter. Add wireless mic kit and have two people wireless at the same time. (See below S1620, S1612, S1600, S1610)
- ✓ **Sound Cruiser** with car-top mounting assembly S312. Equip any car, truck, bus, or boat in minutes!

## Features Not Found in Megaphones

- ✓ Easier to use than a clumsy megaphone because you hold only the microphone. Lets you see & be seen.
- ✓ Comes with a shoulder strap for easy portability. Weighs only 12 lbs.
- ✓ Tapered speaker provides maximum sound penetration outdoors without feedback.
- ✓ Mounts easily on tripods (sold below).
- ✓ Weather-proof and abuse-proof system.

# Mity-Meg Megaphones

New features make these megaphones the best "boom" for the buck!

**MITY-MEG PLUS - Model S602M:** with detachable coil corded mic; 25 watts; effective range of up to 1760 yards; shoulder strap; 2 3/4 lbs.; requires 8 C-cell batteries, lasts 20 hours continuously, adjustable volume

**MITY-MEG 25 - Model S602:** 25 watts; effective range of up to 1760 yards; 2 lbs.; requires 8 C-cell batteries, lasts 40 hours continuously, adjustable volume

**MITY-MEG 15 - Model S601:** 15 watts; effective range up to 900 yards; 1.5 lbs.; requires 8 AA batteries, lasts 18 hours continuously, adjustable volume

All three models have **NEW** battery indicator lights on the outer housing, an easy to use battery cartridge and a volume/gain knob inside the cover for more control over the sound. Plus the same Piezo dynamic technology as their predecessors, making these lighter and louder than other megaphones.

Our lightweight, battery operated megaphones can be an essential addition to your emergency kit. All models have a comfortable pistol grip, 3-modes: talk, whistle and a built-in penetrating siren for emergency use and are powered by alkaline batteries (not supplied).

The Mity-Megs are great for use in high noise areas and large open spaces. Use it to direct emergency crews and alert crowds. Use at road races and other outdoor sporting events, or rallies. These megaphones are specially designed and built out of tough ABS plastic which makes them perfect for fire and police departments, state and federal agencies, marine environments, and event organizers.

All three models have the new Piezo Dynamic Technology, making these lighter and louder than other megaphones. *What is Piezo Dynamic Technology?* Piezo Dynamic technology is a revolutionary technique that allows a megaphone to operate more efficiently and with less weight than ever before.

The Mity Meg series helps schools meet the security requirements of the **No Child Left Behind Act**, which mandates schools to offer secure, safe learning environments for their students. Use the megaphones to direct schoolyard fire drills, tornado drills or in emergencies when directions must be heard.

## CONTEMPORARY COLOR PANEL LECTERNS

Great looking contemporary solutions for your presentation needs. These **49" tall** lecterns provide a modern style that will match your current décor. The spacious reading shelf measures **26.75" wide x 16.75" deep** providing enough room for your speaker. Overall height of 49". The high-density polyethylene (a plastic also found in the marine industry) construction of black bottom and reading shelf complement the styling of these lecterns black anodized aluminum uprights. The look is completed by the jewel mahogany Formica panels that snap into the aluminum uprights in seconds without the need of tools. The acrylic shelf located in the back of these lecterns is an ideal spot to keep a glass of water or laser pointer nearby.

## CONTEMPORARY CURVED LECTERNS

Break the mold with one of these gracefully curved lecterns. A great looking addition to any conference room, lecture hall or meeting place, these stylish models sport a curved front and flat rear panel. The spacious reading shelf (**26.75"W x 17.5"D**) provides all the room you need to deliver that killer presentation. The reading shelf and sturdy base (**26.75"W x 17.5"D**) are made from high-density polyethylene for great looks and long life. The black anodized aluminum sides complete the look of these **47.25" tall** lecterns and feature a channel that allows the front and rear panels to easily snap-in. Included in the box is an acrylic shelf which mounts to the rear providing you an out of sight place to keep that beverage.

## CONTEMPORARY WOOD LECTERNS

The reading table of the desktop lecterns measure **26 3/4" w x 15 3/8" d** with a **1 1/2" h x 26 3/4" w ledge** to hold your reading material. This lectern is great for churches, hotels, schools, libraries, and conference rooms. Also check out our table top acrylic lecterns that come in clear and black.

This Podium is great for all your professional speaking events. It looks great in churches, hotels, colleges and universities, government agencies, and conference centers. Manufactured from veneer wood, this Podium features a sizeable reading table 24" wide x 21.5" deep. This elegant lectern includes one inside shelf and a pair of hidden caster wheels for easy maneuverability. The units overall depth: 23.5", height: 50".

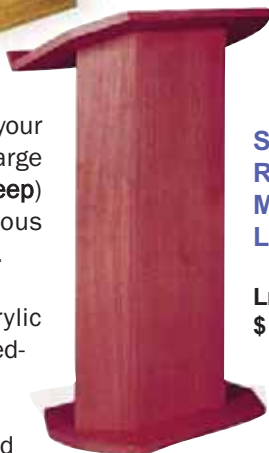

### SN3160 CV GOLDEN OAK LECTERN

LIST PRICE  
\$ 839.00

The finish on this beautiful piece will complement your current décor, while the large (**26 3/4" wide x 15 3/4" deep**) reading table is generous enough for most speakers.

The provided clear acrylic shelf keeps that much needed glass of water or later pointer within reach, but out of sight. Well built and rugged, this podium **stands 44 3/4"** and is supported by a **23 7/8" wide x 14 7/8" deep base**.
